

1st World Congress  
on Neuropelveology

Zuerich – Switzerland  
September 27-28, 2018

*„Exploring the Mystery  
of the Pelvic Nerve Interactions“*

**2018 Inaugural  
Scientific Program**

*Scientific Program Chair*

Axel Forman, MD, PhD, DMSc

*President*

Marc Possover, MD, PhD

[www.theison.org](http://www.theison.org)

# SCHEDULE

Thursday, 27. September 2018

## 9<sup>30</sup> Registration

**Chair:** Benoit Rabischong, Clermont-Ferrand, France  
Alessa Zanatta, Sao Paulo, Brasil

## 10<sup>30</sup> Pelvic Neurofunctional Anatomy

Anatomy of the Pelvic Somatic Nerves

*Benoit Rabischong, Clermont-Ferrand, F*

Anatomy of the Visceral Pelvic Nerves

*Vito Chiantera, Palermo, I*

Laparoscopic approach to the pelvic somatic nerves

*Alessa Zanatta, Sao Paulo, Br*

## 12<sup>00</sup> Lunch – Welcome reception in the exhibit area

**Chair:** Bruno Roche, Geneva, Switzerland  
Jon I. Einarsson, Boston, USA

## 13<sup>00</sup> Diagnosis of the Pathologies of the Pelvic Nerves

In Oriental Medicine (TCM)

In Osteopathy

*Stan Mostard, Baar, CH*

In Pain Medicine

*Edzard Ellerkmann, Zürich, CH*

Pathologies of the Pelvic Somatic Nerves - neurological approach

*Helge Kasch, Aarhus, DK*

Pathologies of the Pelvic nerves - neuropelveological workup

*Axel Forman, Aarhus, DK*

## 15<sup>30</sup> Coffee break

**Chair:** Axel Forman, Aarhus, DK  
Vito Chiantera, Palermo, Italy

## 16<sup>00</sup> Management of Neuropathic Pelvic Pain

Pudendal neuralgia - Alcock's Canal Syndrome

*Bruno Roche, Geneva, CH*

Postoperative Pelvic Neuralgias

*Nucelio Lemos, Toronto, CAN*

Sacral Radiculopathy by Vascular Entrapment

*Danny Chou, Sidney, AUS*

Endometriosis of the Sacral Nerve Roots

*Vito Chiantera, Palermo, I*

Tumors of the Pelvic Nerves

*Marc Possover, Zuerich, CH*

Postoperative Pain Management

*Axel Forman, Aarhus, DK*

## 20<sup>00</sup> Get together

# SCHEDULE

Friday, 28. September 2018

**Chair:** Karl-Erik Andersson, Aarhus, DK  
Helge Kasch, Aarhus, DK

## 10<sup>00</sup> Management of Pelvic Organ Dysfunction- The LION Procedure

Medical Treatment of Pelvic Dysfunction

*Karl-Erik Andersson, Aarhus, DK*

Neuromodulation of the Pelvic Nerves

*Physician Medtronic*

The LION Procedure to the Pelvic Nerves

*Marc Possover, Zuerich, CH*

The LION Procedure in people with SCI - the Brasil Experience

*Nucelio Lemos, Toronto, CAN*

The LION Procedure in people with SCI - the "SCI LION Study"

*Soren Bruno Elmgreen, Aarhus, DK*

## 13<sup>00</sup> Lunch

**Chair:** Shareen Khazali, London, UK  
Danny Chou, Sidney, AUS

## 14<sup>00</sup> Future Applications

Neuropelveology - Continuing Medical Education

*Shaheen Khazali, London, UK*

Robotics in Neuropelveology

*Sami Gokah Kilic, Dallas, USA*

Neuropelveology - quo vadis ?

*Marc Possover, Zuerich, CH*

## 16<sup>00</sup> Ceremony - Transfer of the ISON Presidency to Prof. Axel Forman

## 17<sup>00</sup> Closure of the first ISON-Meeting

*Axel Forman, Aarhus, DK - Marc Possover, Zuerich, CH*

## 17<sup>30</sup> General assembly of the ISON Board

*Only faculties of the ISON*

*The International Society Of Neuropelveology*
